Police Chief Michael Millsaps shared his appreciation for the staff of Town Hall and Town Council. Chief Millsaps reported the Police Department completed 331 self-initiated calls and 403 service calls, he is expecting those numbers to increase as it starts to become warmer weather. Chief Millsaps reported new vests arrived today. Chief Millsaps reported the Police Department is still waiting for Tasers to be delivered. Councilman Eric Bumgarner questioned when the last time vests had been ordered. Chief Millsaps reported this has been the only order and is unsure of the orders prior to him becoming Police Chief. Public Utilities Manager Aaron Wike stated, a couple of vests were purchased long the way and typically were ordered when new hires were brought on. Councilman Bumgarner was wanting to know how long a vest usually last. Chief Milsaps stated vests last about five years before needing to be replaced.

Finance Director: Zachary Greene

Finance Director Zachary Greene reported he is still working on the 2024 audit. Paperwork was given to the councilmembers to be completed and returned to Martin Starnes & Associates.

Public Utilities Manager: Aaron Wike

Public Utilities Manager Aaron Wike reported the town should be receiving another check from FEMA within a week or two for expenditures related to the emergency measures taken from the overflow of wastewater from manholes which had to be pumped. He is working on other projects with FEMA for culvert repairs and things of that nature, those are not as far along as the first two projects were. Hopefully in the coming months there will be some more money coming in for some other projects.

Mr. Wike reported he has been working on a Bric Grant Application since 2022, it was denied and reapplied for in 2023. The application is currently under review number three and they are requesting more information; Mr. Wike stated he will continue to work with the COG and West Consultants. This grant is currently for \$1.9 million with a 10% match and would be used to do repair work on the culvert at the cemetery, lift station maintenance, UV treatment at the treatment plant, and stabilization repairs to the culvert that washed out in the 2020 flood at the Sheriff's Department.

With warmer weather, the mowing season has begun. Both the cemetery and Town Hall have been done; starting on the bypass today. Mr. Wike stated, we will be working to get the medians cleaned up next week.

The water department has changed 40 meters in the month of March with several more to go to get the list caught up.

Still waiting on the Country Boy Contract to be updated so it can be formally adopted. The time frame for completion remains the same.

Town Managers Report

N. Hester, Town Manager

Town Manager Nathan Hester mentioned as a reminder, the Work Shop will be held on Tuesday, April 15, 2025 at 2:00 pm, this will be the second budget workshop. The Town is working hard to finalize the budget; but are still waiting on other figures to come in including insurance quotes, Duke Energy rate increases, and fee schedule changes.

Mr. Hester stated he is still working on the Main Street Application.

An offer was made for the position of Billing Clerk & Administrative Assistant to someone, she will start on April 14, 2025.

The Town's website continues to be updated and several pages are completed. They will be taking updated pictures once the weather is nice. They are waiting for information from the Town for several departments including old minutes and agendas, planning and zoning.

Taylorsville Ace Hardware, previously True Value, will be having a Grand Opening 3-day event April 10th – April 12th. A ribbon cutting will be held on April 11, 2025 at 10:00 am.

Town Manager Nathan Hester reported he has had no response from the owner of the Urgent Care concerning the lease agreement. The Urgent Care is still operating without an active utility agreement and he will continue to pursue them about setting up an account. Mr. Hester continued, the lack of setting up a utility account was an incentive to bring a needed medical facility into the area; however, that was 12- or 13-years ago. It is not fair to other businesses in the community, if Urgent Care is allowed to operate without paying for water and sewer services. Councilman Eric Bumgarner asked if the town has done anything about the building itself as far as mitigation. Mr. Hester stated, a company has looked at the property and gave a quote for installing a French drain system around the foundation to allow the water to drain away from the building; and is scheduled to have that work completed hopefully in the next couple of months. Councilman Eric Bumgarner agreed it was not fair to other business owners and the Urgent Care needs to establish an account as soon as possible. Councilman Eric Bumgarner also stated he appreciates the services Urgent Care provides to Town of Taylorsville and wants to see them succeed.

Council General Discussion

Councilman Jack Simms mentioned the town owning property within the county, the location of the old well that supplied water to Taylorsville. Public Utilities Manager Aaron Wike stated it was off of Linney's Mountain Road. Councilman Jack Simms believes the property should be sold, the Town is not using the property and the well is abandoned. Mr. Wike pulled information from GIS; the property is 1.6 acres, land-locked, with a shared dirt road. Town Manager Nathan Hester stated he would get the information to proceed forward. Jack also stated, if the property does not sale, it could be given to the school to build houses on. Kim agreed, stating they are out of land. Kim also questioned if it was feasible for the property to be subdivided if given to the high school.

Mayoral Proclamation

WHEREAS, On this National Day of Prayer, we recognize the power of prayer to strengthen our spirits, draw us together, and create hope for a better tomorrow.

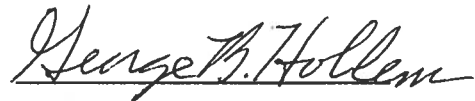

WHEREAS, The right to practice our faiths freely and openly is enshrined in the Constitution and remains at the core of our American spirit. For centuries, Americans of every religion and background have come together to lift up one another and our Nation in prayer. Throughout America's history, faith and prayer have helped fuel some of the greatest moral missions of our time — from the abolition of slavery to the fight for voting rights and the Civil Rights Movement. Many of our Nation's greatest leaders have been motivated by faith to push all of us toward a more perfect Union and to bend the arc of the moral universe toward justice.

WHEREAS, Prayer is also deeply personal: For so many across this Nation, prayer has helped us find solace during tough times and stay grounded in good ones. Prayer has helped the bravest among us — including our Nation's service members and their caregivers, survivors, and families — summon the courage to make great sacrifices for our democracy. It has guided the hands of medical professionals, who heal our loved ones, and steeled the nerves of our first responders, who put everything on the line to keep the rest of us safe. We will never know the full impact of prayer on our Nation or the world, but we remain confident that it makes a profound difference each and every day.

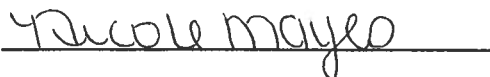

WHEREAS, Scripture tells us to rejoice in hope, be patient in tribulation, and be constant in prayer. This year, my prayer is that we keep faith that our best days are ahead of us and continue to believe in honesty, decency, dignity, and respect. May we see each other not as enemies but as fellow human beings, each made in the image of God and each precious in His sight. May we leave no one behind, give everyone a fair shot, and give hate no safe harbor. May we remember that nothing is beyond our capacity if we act together.

NOW, THEREFORE, I, George B. Holleman, Mayor, do hereby proclaim May 1, 2025, as a National Day of Prayer in the Town of Taylorsville. I call upon the citizens to give thanks, in accordance with their own faith and conscience, for our many freedoms and blessings, and I invite all people of faith to join me in asking for God's continued guidance, mercy, and protection.

IN WITNESS WHEREOF, I have hereunto set my hand this first day of May, in the year of our Lord two thousand twenty-five.
