

# PUBLIC NOTICE

**TO:** All Town of Taylorsville Water Customers  
**FROM:** C. Nathan Hester, Town Manager  
**DATE:** Tuesday, April 14, 2026  
**SUBJECT:** (Stage II – Mandatory Conservation)

---

In response to the current conditions outlined by the North Carolina Drought Management Advisory Council, The Town of Taylorsville has implemented Stage II – Mandatory Conservation for all water customers of the town of Taylorsville.

Under Stage II (Mandatory Conservation), all non-essential water use is prohibited. Stage II (Mandatory Conservation) prohibits the following:

**All customers are expected to reduce their water use by 10% in comparison to their previous month's water bill. In addition to continuing to encourage all voluntary reduction actions, the following restrictions apply:**

- 1. Irrigation is limited to a quarter of an inch per day between 8pm and 8am two days a week**
- 2. Outdoor use of drinking water for washing impervious surfaces is prohibited**
- 3. Restrict residential vehicle washing to one vehicle per week.**
- 4. No filling of swimming pools. Topping off swimming pools is limited to six inches per week.**
- 5. All testing and training purposes requiring drinking water (e.g. fire protection) will be limited.**

Violations of these prohibitions will result in the following penalties:

- First Violation - Warning
- Second Violation - \$250 Fine
- Each Additional Violation - \$500 Fine

These conservation policies will be in effect until further notice from the Town of Taylorsville.

Respectfully,

C. Nathan Hester  
Town Manager
